

# Kildorrery GAA, Ladies Football & Camogie Club

# 2000 CLUB

# JOIN OUR 200 CLUB

Dear Member,

We hope you are well and want to start by saying thank you for your continued support of Kildorrery GAA, Ladies Football & Camogie Club. Our new **astroturf pitch, walking track and hurling wall** are fast becoming a reality, thanks to your generosity, commitment to and strong belief in Kildorrery and its Community.

This project was undertaken to secure much needed facilities for all members of the Community and the Club, and will no doubt benefit our future generations.

This year, we will be commencing our new **200 CLUB fundraiser**, where we aim to sign up 200 individuals/families for a €5/week contribution to the Club. As part of the 200 CLUB, you will be entered into a **quarterly draw with a chance to win up to €1,000 in prize money**.

This new fundraiser, together with our upcoming grant applications, will help greatly in paying off the remaining €220k on the bank loan.

We would be delighted if you decide to support us by joining the 200 CLUB. You may do so by scanning this **QR Code** to make a payment or completing the standing order enclosed (Bank Mandate) and returning it to Barry O'Connor by **21st Sep 2025**.

Thank you sincerely once again,

**Kildorrery GAA Astro and Finance Committee**

**Kildorrery GAA** club was established in **1949**, uniting the existing clubs in the parish. Since its foundation the club has endeavored to develop the best facilities for the local community:

- ✓ Field Purchase (1956)
- ✓ Squash Courts (1978)
- ✓ Juvenile Pitch (1992)
- ✓ Dressing Rooms (1995)
- ✓ Pitch Drainage (2002)
- ✓ Pitch Floodlighting (2006)
- ✓ Viewing Stand (2017)
- ✓ Community Gym (2019)
- ✓ One Club (2022)
- ✓ Astroturf Facility (2025)

### Kildorrery One Club

**31 teams**  
across all codes

**434 adult**  
members

**481 youth**  
members

(Foireann, 2024)

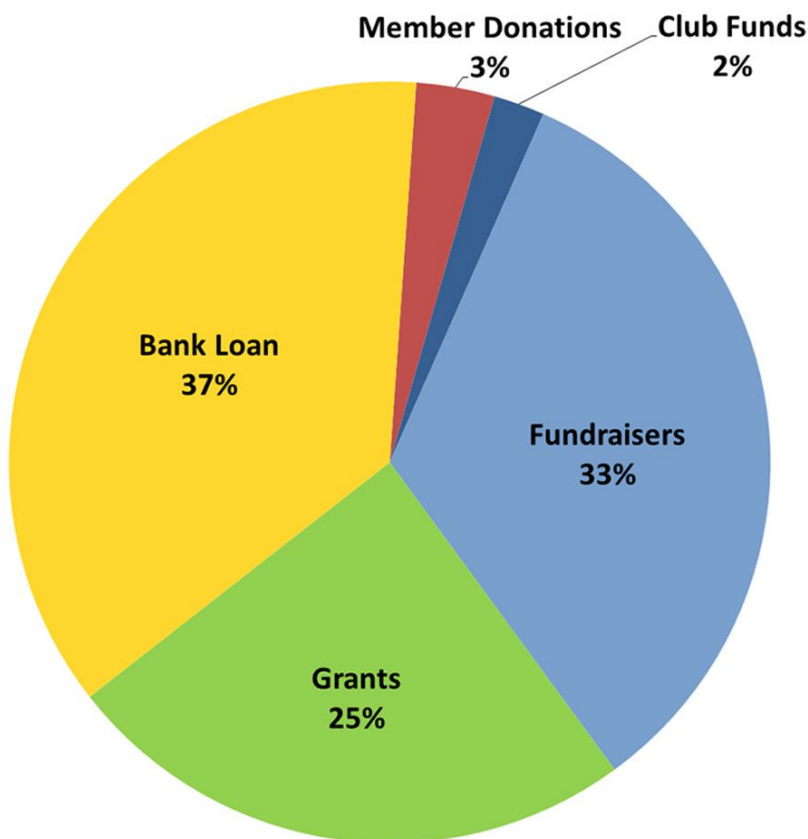

Resulting from increased participation rates over the last number of years, the club decided to embark on an ambitious project to redevelop the existing “Juvenile Pitch” into a **90 x 60 all-weather training facility**, fully floodlit and fenced with retaining wall (EGM 2022) and we are delighted to say we are very near completion. The entire cost of the project was approximately €600,000.

This was funded by several sources, including our own **KDY GAA Film Awards fundraiser**, **Cork's Fittest Superstars** and **Sport Capital Grant** of €147k. The Club has applied for **Leader & Clár Funding** and will be applying for **Munster Council GAA Grant Aid** in September 2025.

***“The success and realisation of this project  
will be dependent on the generosity and  
support of our whole community”***
